Sometimes the smallest gesture can have the most meaningful impact – like receiving a heartfelt thank you card.

In this critical time, we're asking for your help to send appreciation to local doctors, nurses, caretakers, & healthcare staff who run our hospitals, clinics, & care facilities.

Join us in saying "Thank You," & showing appreciation for their dedicated work!

Over the next few weeks, we will be collecting messages of gratitude & support from all our community members, & then use these messages to create cards to send to the staff of various hospitals & clinics in our area.
